Wahine Surf Club

“Wahine” (wah-hee-nee) noun

The Hawaiian slang word for a young surfer girl.

A young woman who rides the waves both at sea and in life.

Adventurous, kind, loving, courageous, and an overall cool dudette.

Are you looking for a fun and supportive group of friends to surf with? Join the Wahine Surf Club and become a part of the Mermaid Surf sisterhood!

Our mission is to empower girls through surfing & sisterhood. Our goal is to connect a strong community of surfer girls that support one another in and out of the water.

The WAHINE Surf Club is an all-girls surf club that meets regularly from April- October. Our primary goal is to surf together! When the waves and/or weather aren't great for surfing, we also enjoy arts & crafts, skate sessions, wellness sessions, and surfer-girl socials.

REQUIREMENTS:

1. Girls ages 8-16
2. Independent & safe surfers
3. Personal gear and equipment
4. Demonstrate surf etiquette and board control
5. Supportive and stoked!
